Mission Statement

The mission of Mason Creek Elementary School is to provide an authentic learning experience that will enable and empower students to become lifelong learners and productive citizens.

Vision

Our vision at Mason Creek Elementary is to inspire students and staff members to be life-long learners, productive in our community as responsible and independent citizens, and endow all learners to believe, engage, and excel.

Goals

- To provide a challenging, comprehensive instructional and curricular program for all learners.
- To provide a school environment that is safe and supportive and enhances the learning process.
- To improve communication throughout the school community.

Beliefs

We believe that we must...

- Understand how children and adults learn and continue learning.
- Build communities of lifelong learners.
- Cultivate the leadership potential of every employee, student, and parent in our school system.
- Be creative, energetic visionaries, who respond quickly to diverse and evolving issues.
- Meet the needs of our stakeholders (students, parents, employees and community).
- Maintain efficient and effective administrative processes for instruction, operations, human resources and sound fiscal management.

Transportation Regulations

At Mason Creek Elementary School our goal is to provide your children with a safe and orderly environment. In order to provide better supervision and to expedite the mass movement of children, it is necessary to implement certain regulations regarding the delivery and pick up students.

Your careful adherence to the items listed below will help us provide a safer environment at Mason Creek Elementary for your child.

- Please follow **all traffic signs** located on and around the school campus. The entrance and exit areas to the school are clearly marked. All vehicles are expected to enter and exit the school as outlined on the parking diagram.
- Parents who bring students to school may do so no earlier than 7:15 a.m.
- Students must be dropped off at the side entrance until 8:00 a.m. **After 8:00, parents must park in the front parking area and escort your child safely into the building and sign your child in. Do not just drop your child off as your child will be unsupervised until he/she enters the office.**
- There will be **no student checkouts from the office after 2 PM**. Early checkouts to avoid waiting in the car rider line will not be allowed. We are committed to preserving our instructional time and ensuring student safety.
- All transportation changes **MUST** be in writing, fax or email by 2:00 PM to Adrienne.Wood@dcssga.org , Patti.Young@dcssga.org **AND** Abbie.Jackson@dcssga.org . Make sure you receive a confirmation email from Ms. Wood or Ms. Jackson before you assume the change has been made. Otherwise call the office to double check. Your email address and/or phone number **MUST** match what is on file on the yellow emergency card for your child. If you are sending a fax, you must have a copy of your drivers' license included for identification purposes. Faxes for transportation changes will only be accepted until 2:00 PM. Do not send a transportation change via email to your teacher. There is no guarantee that it will be read and we do not want to jeopardize your student getting home the correct way. Please be aware that we have approximately 600 students and changing a student's transportation at the last minute or multiple times throughout the week creates a potential for mistakes to be made. **Please avoid continual transportation changes unless it is an emergency for the safety of your child.**
- Parents are to wait in their cars in the area shown on the parking diagram. All students must be picked up by 3:00. We require a placard to be in your window showing you have authorization to pick up a child as a car rider. This can be obtained at Sneak a Peek Night

or at the front office. If a child does not have a change of transportation note and no placard, you must come in to the office to have your ID checked.

- All adults authorized to pick your child up at school must be listed on your child's yellow emergency card.
- It is recommended as a safeguard that you register for our MAES After-School Program in the event of a transportation emergency. The registration fee is \$10.00 per family. This way if a transportation issue arises, your child will have supervised activities until you are able to safely arrive at school to pick your child up. Our After School Program costs \$8.00 per day/per child.
- **Children not picked up by 3PM will be sent to the After School Program for their safety and supervision. As of 3 PM our ASP program takes over the office area. This service is available to you for emergencies such as this. However, you must pay for this service as we must pay the salaries of those adults working in our ASP program.** Parents will be charged after school fees including a one time registration fee of \$10.00 for students brought back to school and \$8.00 each day that the student is returned to school. There will be no exceptions.
- Any student brought back to school, because no one was available to answer your door, will be sent to the after school program (ASP) upon returning to the school. You will be expected to pay the registration fee of \$10.00 and \$8.00 for every day they stay.
- There must be **no parking or student drop off** in the bus lanes at any time. When you come to the first stop sign on the elementary school property, the buses will take a left to unload bus riders. Car riders will take a right at that stop sign to proceed to the back of the school to drop off those children.
- Buses will park at the left side of the school and students will board in an orderly manner. All students will be issued bus cards for their afternoon ride. This card is their "ticket" to load the bus. Students riding the bus who do not get onto the correct bus will be taken home by the bus driver or returned to the school. The school needs to be notified as soon as the parent is aware that a child did not get home.
- The school is responsible for children who ride the school buses from the time they are picked up in the morning until they are returned home in the afternoon.
- Every student is to respect and obey the school bus driver. The driver is responsible for the safety of every rider. Please see County School Bus Discipline Procedure provided in the Ride Guide.

School Information, Rules and Regulations

Accidents and Illnesses at school

If a student is hurt on the bus or at school, he/she should report the accident immediately to the supervising adult. First aid for minor accidents will be handled at school. Parents or guardians will be contacted in the event of a serious accident. If a student becomes ill during the school day (i.e. has a fever, is vomiting, or is seriously injured), a parent or authorized designee will be expected to pick up the child.

Every child should have current emergency information on file in the school office. We must know how to locate a parent at all times in the event of an accident or illness. Please make sure that your child has medical insurance in the event of an injury at school. Go to our website at <http://dcssgamaes.ss19.sharpschool.com>

Agenda

Agendas are a great communication tool between school and home. Any notes that you would like to send to the teacher, please write in the agenda.

Admission/ Withdrawal

Students seeking admission to Mason Creek from another school should have withdrawn from the previous school. Withdrawal papers should be presented at the time of admission at the DCSS registration center, at the Murray Education Center on Highway 5.

The following items should be on file in the school office:

- Birth Certificate with raised seal (we make a copy)
- Certificate of Immunization – form 3231
- Copy of Social Security Card or waiver
- Legal documents (i.e., custody papers), if appropriate
- Vision, Dental, Hearing and Nutrition screening certificate – form 3300 (rev 2013)
- 2 proofs of residence (recent gas/electric bill, deed, lease agreement, tax bill closing statement if recently closed)

The school office must be notified at least one day (24 hours) prior to student withdrawal. All textbooks, library books, and other materials must be returned and paid for. All lunch charges must be paid. All After School Program charges must be cleared. A copy of the withdrawal form, birth certificate, immunization form and vision/hearing/dental screening form will be given to the parent/guardian to take to the new school. All other student information will be sent upon request from the receiving school.

After School Program

Mason Creek offers one after school programs. It is a fee based program for students at our school. There is a one-time registration fee of \$10.00 for the fee based program. The After School Program hours are from 2:45p.m. – 6:00p.m. The fee for the program is \$8.00 per child each day. There is an additional \$10.00 registration fee per family. **All fees must be paid in advance on a weekly basis.** **Parents are expected to be prompt in picking up their student(s). After three late pick-ups the director will meet with the parent to discuss possible withdrawal from ASP.**

Attendance/Tardies/Continuous Early Checkouts

When students are absent:

Attendance at school is very important. If your student must be absent, upon returning to school a written excuse must be given to the homeroom teacher within three days. Students who are absent miss instruction that is vital to mastery of the standards. Excessive absences will be reported to the school social worker.

Students are tardy to school after the 8:00 a.m. bell:

Students who are tardy miss valuable instruction and disrupt the class. **If a student is late, a parent is expected to escort their child to the office for a tardy pass before the student goes to class.** Continual absences and tardies will be reported to the school social worker. See the Compulsory Attendance Law and Douglas County Board Policy at the back of this handbook.

Students who are repeatedly checked out prior to the end of the instructional day (2:45PM) miss valuable instructional time and disrupt the class.

It is important to note that in order to have **PERFECT ATTENDANCE** designation at the end of a school year, there are no absences, no tardies and no early checkouts.

Bus Discipline

If your child is a bus rider, he or she is required to follow the rules set aside for bus safety. If your child receives a bus suspension, you must send in a note to the teacher explicitly stating how your child will be transported home from school until the suspension is over.

Cell Phones at School

There is no reason at the elementary level for students to have cell phones at school. Students are strictly not allowed to bring cell phones to school. Any cell phones will be taken up and you will be required to come to school to pick it up. The school bus is an extension of the school. Cell phone use is not allowed on the school bus either. It will be taken up by the driver and you will have to wait until the next day to come to the school office to pick it up. We are not responsible for unauthorized valuable items (ie. cell phones, iPhones, iPads, iPods, mp3 players, etc.) your child brings to school. You allow them to do this at your own risk of loss.

Check Outs

Students leaving before 2:45 p.m. must be signed out through the office. Office personnel will call the student to the office. No student may be taken directly from the classroom. This is

also true if a parent wants one child to attend a sibling's event. This procedure is necessary for the protection and supervision of our children. This is also based upon available seating at the event.

If someone other than the parent or guardian is to pick up a student that person must be on the emergency card. Otherwise, please notify the school by note. That person is required to be included on the emergency card on file in the front office. We will ask for identification if we do not know the person who is picking up a child. This is including parents/guardians who we are not familiar with. **Everything we do is for the safety of our students.**

Your child's teacher has voicemail, email (accessible from our website) or can be contacted via your child's agenda. Our teachers are more than happy to accommodate parents' schedules all year long within a reasonable time frame.

Discipline

Refer to Board Policy JD – R(2)

Appendix: Mason Creek Discipline Cycle and Discipline Referral Form

Students are expected to show respect for and obey school personnel's directions. Students are required to follow school rules and classroom rules. Bullying or physical aggression will result in significant consequences including out of school suspension.

The Opportunity Room (OR) is created to allow students opportunities to correct and remediate inappropriate behavior. It is a room separate from the classroom and is supervised by a trained OR Supervisor. Students are sent to OR for repeated disruptive behaviors or for serious disciplinary offenses.

Procedures for office referrals are the following: (after step three on the discipline cycle or after a serious violation of the school rules)

1. A teacher completes a discipline referral for documenting offenses and sends the child to the office with a copy of the Mason Creek Elementary School Discipline Cycle signed at enrollment by the parent/guardian.
2. The principal or assistant principal discuss the behavioral expectations and offense with the child and may assign the child to OR time out.
3. An assignment of OR time is determined by the principal, assistant principal, or designee. The Douglas County School System Discipline Policy will be followed.
4. While in OR, the student is required to complete assignments given by the OR clerk, teacher or administrator. The work assigned will be appropriate for the student's level.
5. Restroom breaks and lunch are scheduled.

Dismissal Procedures

There are four dismissal modes for leaving the school premises at the end of the instructional day:

1. Bus
2. Car Rider
3. ASP
4. Day Care Van

A parent must **NOT** park their car and come into to the building to pick up their child during dismissal procedures. Please proceed to the car rider line and wait in order for dismissal.

This is for the safety and orderly dismissal of all our children.

This includes if you are volunteering at the school. Please do not go to your child's teacher and ask to take your child with you. Volunteers are asked to go to the gym to pick up your child seated with teacher's children. You must follow our dismissal procedures.

Dress Code

Refer to Board Policy JCDB –R(1)

Every student enrolled in Douglas County Schools is expected to observe a standard of grooming and dress consistent with the level of formality of the school setting. Certain items of dress are not considered appropriate and are not acceptable and as such, could result in a child having to call parents at home or work to bring appropriate clothing. Purses are not allowed.

Good taste and good judgment should be used by parents and students alike in the selection of school dress. Many “fads” in dress are not appropriate for school. See Elementary Dress Code at the back of this handbook for details.

Emergency Drills

State law requires that schools conduct drills for emergencies such as fire, severe weather or other emergencies. Fire drills are held each month on “good” weather days. Some months are not cooperative and students must go out in the cold. Students will be returned to the building as quickly as possible.

There are also two bus evacuation drills held in September and February. Students (bus riders only) will practice how to exit the buses in the event of an emergency.

We also have emergency drills related to bomb threats, lock down for possible intruders, high alert, or possible evacuation. At times we practice a Silent Evacuation Drill.

If you are present in the building during one of these drills you will be required to participate.

Guidance and Counseling Service

In Douglas County, the elementary school guidance program is designed to help students by assisting them in making decisions and changing behavior. The purpose of guidance and counseling is to impact specific skills and learning opportunities in a productive and preventive manner which ensures that all students can achieve school success through academic, career, and personal/social development.

Guidance is defined as the help all students receive to assist them in making appropriate educational and career choices. Counseling is defined as the help some students receive from a professionally trained counselor to help them overcome personal and social problems, which may interfere with learning.

The lessons taught in classroom or small group guidance provides a link to define student competencies. These standards are included in the guidance curriculum. Counselors coordinate and implement delivery of guidance lessons in the areas of academic, personal/social and career development. Lessons can incorporate study skills, test taking skills, problem solving, decision-making, self-knowledge, life skills, personal safety, and career planning. All of which will help facilitate your child's academic achievement.

Small group counseling may address specific needs such as understanding-self and interpersonal skills or help students dealing in crisis situations, such as divorce or death in a child's life. Students may participate in these small groups as a result of referrals from parents, teachers or themselves. This counseling relationship with students will be treated as confidential except when a student poses an imminent danger to themselves or others; or when the student reveals matters that by state law must be reported. The Douglas County Board of Education provides all students the opportunity for counseling services.

The elementary school counselor consults and collaborates with parents, guardians, teachers, and significant others such as school psychologist, special education personnel, school social workers, and medical professionals in the community. They are also involved with classroom performance and behavior, childhood growth and development, a positive school climate, identification of exceptional children, interpretations of test results, psychological reports and other relevant data and communication between home and school.

Students in First and Third grades will be taught the *GOOD-TOUCH/BAD-TOUCH* program. *GOOD-TOUCH/BAD-TOUCH* is a body safety program, which teaches children in a very comfortable way to talk about a very sensitive problem. Unfortunately, every year more than 100,000 children are sexually abused in our country. Informing children of the following concepts helps to lessen their vulnerability to abuse.

1. Touch can be good, and/or confusing.
2. Children are special and they have the right to know all the safety rules.
3. Children can say no to inappropriate touches.
4. Children should tell a trusted adult if they ever have a problem with bad or confusing touches.
5. Sexual Abuse is never the child's fault.

Professionals from the University of Georgia have validated this program as being effective. The Douglas County Board of Education has approved this program and is very pleased and excited to be involved. Mrs. Ashley Shealey, our school counselor, will be teaching this program. You may contact her at 770-651-4913, if you would like to preview this program. If you have any questions or concerns about your child's involvement in any guidance or counseling group activity, please call your school counselor.

Head Lice

Mason Creek Elementary follows the guidelines prescribed by Children's Healthcare of Atlanta. See their website.

Inclement Weather

Radio station WSB (750 AM) and other major Atlanta radio and TV stations will be contacted concerning school closings. Closings will be announced as close to 6:00 a.m. as possible. Please listen to these stations for information. We will post this on our Facebook page and send an email or text message notifying you of the closure. Sign up for the school's Remind 101 account to receive important information directly from the principal. The instructions are in the front office or on the community information table in the front foyer of the school.

Lost and Found

Most articles found will be placed in a designated location. Please label all articles of clothing, lunch boxes, etc. with your child's name so that articles may be returned. On the last day of each month, items that remain in lost and found will be donated to a charitable organization.

Lunch

Students may bring their lunch from home. Healthy and nutritious lunches are encouraged. **There are no carbonated beverages or glass bottles allowed.** Parents are allowed to bring lunches for **their child(ren) only**. Bringing "special" lunches for groups of students is considered discriminatory to the other students in that class. Please be aware that this includes bringing food for your child's best friends.

Many students rely upon parents/guardians to bring in their lunches after school begins. **This practice does not foster personal accountability.** We want to avoid all disruptions to the classroom instruction once class begins. Anyone bringing lunch boxes for children after school begins must leave the lunch box with the child's name on it on the table outside the cafeteria. Let your child know you are going to do this. We do not call down to the classroom to disrupt instruction. Please do not make this a habit as you are not instilling personal accountability with this practice.

We are happy to see parents and family members come to have lunch with their children. We have provided "special" lunch tables for that purpose. We request that parents joining their student for lunch sit at the tables provided around the windows for your comfort. Your student(s) is not required to follow the music on music off procedure while at the "special tables" with their family.

Make-up Work

For absences of two or more days, parents may call the school and request make-up work for their child. This work will be left in the office and may be picked up between 3:00 p.m. and 4:00 p.m.

Media Center Rules

1. All books, materials and equipment in the main section of the Media Center are available for the students.
2. Materials can be used in the Media Center and returned to the check out desk. It is not necessary to check out materials if they are used in the Media Center.
3. All materials taken from the Media Center must be properly checked out.
4. When a student has overdue items, no further checkouts will be allowed until the overdue items are returned. If items are overdue for an extended time, parents will be contacted.

5. Any lost or damaged item will be paid for by the student who checked the item out.
6. Appropriate behavior is respecting the rights of others, using an acceptable voice level, walking and using all equipment and materials correctly.

Medications (Prescription and OTC)

Board policy does not allow the school to give prescription medication unless it is in the original bottle. Students taking medications on a routine basis must complete a medication form. Medication forms are requested in the front office at MAES. All medications must be turned into the office. Notify the teacher that the student is to be given medicine and the times. **An adult must bring in and pick up all medicines. No medications should ever be sent in on the bus with a child.**

Nuisance Items

Nuisance items are categorized as any item that distracts students from the instructional focus. These items include but are not limited to toys, Pokemon cards or playing cards of any kind, electronic games, cell phones, cosmetics, purses, etc. These items will be taken up by the teacher and must be picked up by the parent. These items will not be sent home with the child.

Pack Facts

Mason Creek Elementary will use a weekly communication tool called the "Pack Facts". This is a large paper folder that will contain completed student work, notes from the teacher and school and PTSO communication. The Pack Facts are sent home every Tuesday with the exception of the days that Progress Reports and Report Cards go home. Those weeks the Pack Facts will go home on the date that the Progress Reports or Report Cards are scheduled (See report cards/progress reports for schedule). Parents should review the information sent home in the Pack Facts, sign and date the folder, and return it to the teacher the next day.

Parties at School

Refer to Wellness Board Policy EEE

Classes are allowed two parties during school hours per school year. At Mason Creek we will have class parties the last day before the winter break and the last day of school. All foods, drinks and treats are thanks to the generosity of our parents. It is not the teacher's responsibility to provide these items. **Note:** All party preparations must have teacher approval.

Birthday parties are not allowed at school. We do allow cupcakes during lunch on a child's birthday as a special "snack". Due to our Wellness policy and concerns over food safety, all foods brought to school for student consumption must be commercially prepared and pre-wrapped. (Wellness Policy EEE). The principal will announce all student birthdays each day during Morning Assembly.

Please do not send in invitations to your child's personal birthday party for the teacher to give out. Your child may not give out birthday party invitations either. Parties, play dates or other non-school activities must be arranged outside the school environment.

PTSO at the Creek

Mason Creek has a parent/ teacher/ student organization. All parents and teachers of Mason Creek Elementary automatically members of our PTSO at the Creek since you have a child/ren at our school! There are no dues!

Report Cards/Progress Reports

Report cards go home every nine weeks. Progress reports go home at the 4 ½ week point between report cards. Progress reports are specific as to what is being taught during that time frame and include the students' areas of needs improvement. See the DCSS Calendar in this handbook for specific dates.

School Council (STEM Advisory Board)

The School Council is an advisory board made up of at least two elected teachers, elected parents, business partners, and the principal. The purpose of the council is to review and make recommendations in matters of school improvement and STEM.

Student Insurance

Parents can purchase school accident insurance for students. School-time and twenty-four hour coverage are available. Information explaining the program is posted on our webpage. Payment is sent directly to the insurance company by you. It is important for your child to have medical insurance in the event that your child should get hurt at school and require medical treatment. The information is on our webpage.

Student Support Team

All schools in Georgia use Student Support Teams to identify alternative strategies for students having academic or behavioral problems. The team may consist of the teachers who work with the student, the principal, assistant principal, counselor, school social worker, and/ or special education teachers. This team also serves as a retention committee when retention is considered. Parents are considered a vital part of the Student Support Team and are invited and encouraged to attend meetings.

Transportation Changes

All transportation changes must be made through the front office. Do not email or leave voicemails for your child's teacher for transportation changes. Teachers often do not have opportunities to check their email or voicemail all day long. For the safety of your child, it is mandatory that all transportation changes are made through the office.

Visitors: For the protection of all students, the office personnel must know who is in the building at all times. Therefore, all visitors must use the front entrance, sign in at the office, and receive a pass/ nametag. You will be stopped by any school personnel and asked to return to the office if you are not wearing a visitor name tag. Office personnel may ask for identification if they are unfamiliar with an individual.

Volunteers

Assistance by parents and other adults in our school increases learning and strengthens the relationship between home and school. Teachers will provide information about specific ways you might help. Report to the office and sign the Visitor's Sheet **before** going to your assignment each time you visit any area in the building. You must check in at the office each time and get a new nametag and wear it at all times. Every volunteer is required to attend a Child Abuse training prior to this.

A detailed explanation of the elementary discipline code and rules of conduct (JD-R2) may be accessed at the Douglas County website: www.douglas.k12.ga.us. A copy of this policy is also available in the school office and in the MAES Family Handbook on our website at <http://future.dce.schoolinsites.com/>

I have read these guidelines and consequences and discussed them with my child. We understand that appropriate behavior is expected at Mason Creek Elementary and that no child will be allowed to interfere with the learning of others. Please sign and return to your child's teacher.

SECTION II

Douglas County School System Policies and Procedures Elementary School

2018-2019

Section II consists of selected Douglas County School System Policies and Procedures that directly affect elementary school students and their parents or guardians. In some cases, the policies and procedures have been condensed. These policies are subject to change without notice. A current copy of these policies is available in the main office of each elementary school or on the Douglas County web site at [www.douglas.k12.mo.us](#). In that case, the most current policy would apply. Parents and students are invited to contact school administrators or counselors for additional information.

REQUIREMENTS

1. General Admissions: In order to enter the first grade in the schools of Douglas County, a child must be six years old on or before September 1 of the school year in which entrance is made. In order to enter kindergarten in the schools of Douglas County, a child must be five years old on or before September 1 of the school year in which entrance is made. No student may enter school if such student shall attain twenty-one years of age before September 1 of the school year except that students with Individualized Education Plans (IEPs) may attend through age 21 or until they receive a regular high school diploma.

Admission Exceptions for Out-of-State Students: A child who has been (1) a legal resident of one or more other states for a period of two years immediately prior to moving to Georgia and who has been legally enrolled in a public kindergarten or first grade, or (2) enrolled in a kindergarten or first grade accredited by a state or regional association shall be eligible for enrollment if such child will attain the age of five for kindergarten or six for first grade by December 31, and is otherwise qualified.

2. Birth Certificate: **A child's birth certificate or its equivalent** must be presented the first time the child enrolls in kindergarten or first grade in a Douglas County School. All students are encouraged to have a birth certificate on file for grades 2-12.

Evidence that shows the student's date of birth, in the following priority order:

- Certified copy of a birth certificate
- Certified hospital issued birth record or certificate
- Military ID
- Passport
- Certified adoption record or certificate-Signed by Judge
- Religious record signed by an authorized religious official
- Official school transcript
- Affidavit of age sworn by a parent, guardian or other person accompanied by a certificate of age signed by a licensed practicing physician, which states that the physician has examined the child and believes that the age as stated in the affidavit is substantially correct.

3. Vaccination and Immunization: Evidence of age-appropriate vaccination and immunization against the following illnesses is required under Georgia law before a child may be officially enrolled in a Georgia School.

For any child attending any school or facility in the state of Georgia for the first time, a parent or guardian must submit a valid certificate of immunization.

School or facility officials, for justified reasons, may allow a child to attend for up to 30 calendar days after first admittance without a valid certificate of immunization. This 30 day waiver may be extended from the date of the first admittance for up to 90 calendar days provided the student is a transfer student from an out-of-state school system to a Georgia school. A certificate may be issued for a child who has not received all required immunizations with the conditions that the child is in the process of completing required immunizations and that immunizations are being

scheduled with the shortest intervals recommended in the current Official Immunization Schedules.

The certificate must be retained and monitored for currency by the school or facility while the child continues in attendance and must be made available for inspection during normal business hours by authorized health authority officials. When a child transfers to another school or facility, the certificate of immunization must be transferred. When a child ceases to attend without transfer, the certificate should be returned to the parent or guardian.

A certificate for a child who is in the process of receiving all required vaccines must have a date of expiration that relates to the date the next required immunization is due or the date on which a medical exemption must be reviewed. A new certificate must then be obtained and submitted to the school or facility within 30 days after the expiration date. Children whose parents fail to renew said certificates within the time allotted shall not be permitted to continue in attendance.

4. Eye, Ear, Nutrition and Dental Screening: Evidence of ear, eye, dental and nutrition screening is required under Georgia Law before a child may be officially enrolled in a Georgia school. Out-of-state forms that show ear, eye, dental and nutrition examinations are acceptable if data is within the past 12 months of the enrollment date in a Georgia public school. Students may be admitted to school without the ear, eye, dental and nutrition and dental certificate but must present it within 120 days following entrance to school. Note: The certificate of Eye, Ear, Nutrition and Dental Screening must be on Georgia DPH Form 3300 rev. 2013.

5. No child expelled from a school in another school system may be admitted to a Douglas County School without approval of the County School Superintendent.

STUDENTS ENTERING DOUGLAS COUNTY SCHOOLS FOR THE FIRST TIME

1. Elementary: Student must meet the age requirements of the Georgia State Department of Education. Student should be placed in the grade recommended by the school from which transferring.

2. Middle School & High School: Student should be placed in the grade and courses recommended by the school from which transferring. "Member schools shall not accept credits from a school which is not accredited by a regional or state accrediting agency except when validated by examination or by scholarship performance." Satisfactory scholarship performance would be determined by the school.(See JBCD-R)

PHYSICAL EXAMINATION

DESCRIPTIVE CODE: JGCA-R

All students, including those in programs for four-year olds, who enter a Douglas County public school for the first time must have Ear, Eye, Nutrition and Dental Examination Certificates on file in the school. Students who have previously attended Georgia public schools, left the public school system for a private or out-of-state school, and then later returned to the Douglas County schools, will be assumed to have satisfied this requirement when they initially entered Georgia public schools. Students may be admitted to school without the Ear, Eye, Nutrition and Dental Certificate but must present it within 120 calendar days following entrance to school. A record of hearing, vision and dental screening must be on or attached to DPH Form 3300 rev. 2013, Certificate of Ear, Eye, Nutrition and Dental Examination. Out-of-state forms that show ear, eye, nutrition and dental examinations are acceptable if dated within the past 12 months of the enrollment date in a Georgia public school. For some disabled students, the Certificate of Ear,

Eye, Nutrition and Dental Examination may be accepted when the examiner is unable to certify a pass or fail due to the severity or nature of the disability.

Students attending middle school in the Douglas County School System are to be screened for scoliosis (lateral curvature of the spine) and parents must be notified of the screening date. If a parent or legal guardian of a child objects to such child being screened for scoliosis, the child shall be exempt from screening.

Students in grades seven through twelve, who participate in competitive interscholastic athletics and cheerleading must have an annual physical examination form that includes approval for participation; signature by a licensed medical doctor before participation in any tryout, practice or conditioning; and the date (month, day, year) of the examination and the student's name.

GUIDELINES FOR STUDENTS ENTERING SCHOOL FROM HOME STUDY PROGRAMS

All students entering a Douglas County elementary or middle school from a home study program shall be evaluated for placement based on the following criteria:

1. State and Local Board of Education policy requirements relating to entrance into kindergarten or first grade
2. Chronological age based on a certifiable document (birth certificate)
3. Performance on standardized tests and/or instructional placement test (Example: Reading Placement Test)

After reviewing the above criteria, the local school shall place the student in the appropriate grade level.

If the parent or guardian disagrees with the placement, a Student Support Team will review placement. If there is still no agreement, the matter will be appealed to the Superintendent or designee.

SOCIAL SECURITY NUMBER

The Douglas County School System requests that all students provide the school with a Social Security number to be used as a student identification number. Students who do not have a Social Security number may pick up an application form in the Attendance Office or any Social Security office. Student Social Security numbers will be treated in the same confidential manner as all other records in accordance with the Federal Educational Rights and Privacy Act of 1974.

Providing a Social Security number is voluntary. Students or parents who object to providing a Social Security number must complete a waiver form. Waiver forms can be obtained from the Attendance Office.

TRANSFERS

All students transferring to Douglas County will be admitted to school pending receipt of their immunization record, for a period not to exceed 30 calendar days from initial entry. The 30-day waiver may be extended from the date of the first admittance, whichever is earlier, for up to 90 calendar days, provided the student is a transfer student from an out-of-state school system to a

Georgia school system, or a student entering kindergarten or first grade from out-of-state. The student must provide documentation to the school from the local health department or a physician specifying that an immunization sequence has been started and that the immunization time schedule can be completed within the **90-day** waiver period.

No student expelled/suspended from a school in another school system may be admitted to a Douglas County school without approval of the school superintendent.

An elementary or middle school student transferring from a school accredited by a regional or state accrediting agency may be placed in the grade and courses recommended by the school from which he/she is transferring. Alternative placement may be made upon review by the principal in consultation with the parents (and Area Director if necessary) if student age, maturity level, previous academic record, standardized test scores, and/or placement testing indicate that student needs can be better addressed at another grade level.

If placement testing in mathematics and reading is deemed necessary, these guidelines should be followed:

Mathematics - Selected items from the grade level placement test in the adopted text can be administered at the beginning of the school year. The current cumulative test may be used if entry occurs during the school year.

Reading - Students generally are placed tentatively in the level of reader equivalent to that of the book they were in at the previous school. If equivalent reader cannot be determined, the teacher should try the book and section for the grade and month of entry. A trial would consist of reading sections, both at sight and with practice, and answering questions from the teacher edition for that excerpt. Appropriate section and/or end-of-book test may provide additional information if needed. The teacher should note word recognition difficulties during the sight-reading.

Whichever method is used, if the materials are too difficult, the teacher should move through earlier sections until an appropriate level is determined.

HOSPITAL/HOMEBOUND PROGRAM

Students who have a medically diagnosed physical or psychiatric condition which restricts them to their home or a hospital for a period of time which will significantly interfere with their education may be eligible for Hospital/Homebound services. Such students, or their parents, must submit a medical referral form completed by a licensed medical physician. The physician must project that the student will be absent a minimum of 10 school days and is physically able to profit from educational instruction.

Students are not eligible if absence is due to communicable diseases (except as specified in State Board Policy JGCC), emotional problems, expulsion, suspension, abuse of chemical substances, or uncomplicated cases of pregnancy. Cases of complicated pregnancy will be approved only with a statement from a licensed medical physician (1) certifying that school attendance would endanger the life of the mother or the child, and (2) specifying the projected

length of time this danger would exist. The student is considered present each day if seen by the visiting instructor for the minimum number of hours per week.

TO WITHDRAW

If a student needs to withdraw he/she should do the following:

1. A parent/guardian should notify the school to withdraw the student. The withdrawal document must be signed by the enrolling parent/guardian.
2. Obtain a withdrawal form from the attendance clerk.
3. All of the student's teachers, the counselor, the media specialist, the lunchroom manager and the principal must sign the withdrawal form.
4. Return all textbooks and library books and pay any fines and/or charges before records can be sent to your new school.
5. Return the withdrawal form to the clerk before the end of the school day.

EMERGENCY DRILLS

FIRE DRILLS are necessary for the safety of the students and faculty. One drill per month will be held. The specific directions for reaching a point of safety from all areas of the building are posted in each room. Misconduct can endanger lives.

TORNADO DRILLS will be conducted in order to be prepared to seek shelter during severe weather. Follow instructions given by teachers to assume safe positions during drills.

LOCK DOWN DRILLS will be conducted in order to be prepared for situations which would warrant a lockdown. Follow instructions given by teachers.

MEDICAL TRANSPORTATION

It is the responsibility of the parents to provide transportation and further care for the student if the student becomes ill or injured on school property. Emergency personnel will be called in emergency situations. Students may not be sent home without parental approval and no student may drive when excused for medical reasons unless parental consent has been given. The parent or guardian is responsible for payment of emergency transportation costs.

SCHOOL HEALTH SERVICES

Each school will be provided with a designated employee (**who is not a licensed nurse**) to serve as School Health Monitor. School Health Monitors will report to the school principal and will be provided training, guidance, and supervision by the Registered Nurse who serves as the Health Services Coordinator for that school.

EMERGENCY CONTACT INFORMATION

In order for the school to know and comply with the wishes of parents, emergency contact information must be filled out for each student and returned to the office for use in emergency situations. This information must be updated annually and whenever changes in contact information occurs. When you receive a Student Contact Form, please update it and return it to the school within five (5) days. Current, accurate information will enable the school to contact you in the event of an emergency. It is the parent's responsibility to keep the emergency card current. At least one local phone contact in addition to the parent/guardian must be listed to insure the safety of your child. If any information changes during the school year, contact the school immediately.

ILLNESS/INJURY TREATMENT INFORMATION

In case of illness/injury, the designated School Health Monitor or other appropriate school personnel will render care as directed by the School Health Resource Manual while attempting to contact the parent. If neither the parent nor the emergency designee can be reached and the situation is very serious, the school shall telephone the Emergency Medical Services (911) for immediate transportation to the nearest Emergency Treatment Facility. Whenever possible, the parent's hospital preference will be observed. Fees for transportation and medical services will be the responsibility of the parent/guardian.

In the event a student's illness is not deemed an emergency, but signs/symptoms of an illness and/or fever are present. The parent/guardian will be contacted and requested to pick up the student from school. If the parent cannot be reached, the emergency designee will be contacted. In the event no designated adult can be reached, or the parent refuses to pick up the student, the principal retains the right to contact appropriate law enforcement and/or Department of Family and Children's Services (DFACS) personnel to assume responsibility for the student.

ACCIDENTS AND INSURANCE

The school is responsible only for immediate first aid. The Board of Education does not pay any medical or hospital bill incurred as a result of accident to the student at school. The parent or guardian is responsible for the payment of such bills.

We urge you to make use of the protection afforded through school insurance. You will be given information regarding various insurance plans during the first week of school. Athletes are urged to make sure adequate insurance is obtained.

In case of accident, no matter how minor, the student should report the accident to the teacher immediately. In the case of severe accidents or acute illness, emergency care will be given and the parents will be notified.

SCHOOL HEALTH RECORDS

Parents/guardians should complete a health information form at the beginning of the school year or upon registration. This form includes:

- All emergency contact information (including cell phones and pagers)

- Pertinent health history
- Primary care providers and insurance information
- Medications taken at home and school
- Allergies
- To whom child may be released

When completing the health information form, please remember this form provides us with valuable information should your student become ill and/or injured at school. This form is **NOT** intended to be a substitute for directly communicating school day medical needs with school personnel. If your child has a medical condition that may possibly require modifications or staff training (diabetes, seizures, asthma, etc.), please contact your School Health Monitor to arrange an appointment with the appropriate Health Services Coordinator/Registered Nurse. Please remember a Registered Nurse is not always immediately available in the school.

MEDICATION

Whenever possible medication should be given outside school hours. This will help reduce time out of classroom instruction and also insures compliance. If it becomes necessary for a student to take any form of medication at school, the following procedures must be followed:

1. An Authorization for Assistance with Medication form must be filled out for each medication annually.
2. ALL medication, including over the counter drugs and emergency medications, must be provided by the parent/guardian and brought to the office upon arrival at school.
3. All prescription medication must be in an appropriately labeled container and OTC medication must be in the original container.
4. All medications will be administered in the presence of an adult.
5. The Authorization to Carry Medication Form must be completed annually and signed by all parties before a student will be allowed to carry any medication with them at school.
6. Any medication (labeled or unlabeled) found in the possession of a student without the appropriate form will result in serious consequences for that student.

INSURANCE

The Douglas County Board of Education offers parents the opportunity to purchase accident insurance. Information on the plans available and the premiums will be provided at the beginning of the school year.

CARE OF SCHOOL PROPERTY

Students are responsible for proper care of all books, supplies, and furniture supplied by the school. Students who disfigure property, break windows, or do other damage to school property or equipment will be required to pay for the damage done or replace the item and/or receive additional disciplinary action. Legal action will be taken if necessary.

SCHOOL NUTRITION

Students are encouraged to participate in the school nutrition programs. Today, students are offered a variety of healthy, tasty and appealing choices which include fresh fruits and vegetables, fresh salads, whole grains and baked rather than fried items. All school meals are nutritionally balanced and meet one-third of the Recommended Daily Allowances for important nutrients for lunch and one-fourth of the RDA's for breakfast. Menus are planned by a registered dietitian and are low in fat and saturated fat. School meals help kids maintain a healthy weight and do better in school. School meals are offered to all students at a reasonable price. You may apply for free/reduced meals using a family application obtained from your child's school or by going to <https://schoolcafe.com/>. Families are required to complete a school lunch application every year on School Café.

Students are encouraged to pay for their meals in advance. Families may pay their cafeteria directly with cash or checks. Checks should include the student's first and last name and lunch ID number. You may also use www.parentonline.net to pre-pay online. You can set up an account by using a credit card and can personalize your account to notify you when your child's balance is running low. A small service fee will apply for pre-paying online, and a minimum payment is required.

All students must go to the cafeteria during their assigned lunch period. Your child can assist the cafeteria staff by:

1. Depositing all lunch litter in proper receptacles.
2. Returning all trays and utensils to the dishwashing area.
3. Leaving the tables and floors in clean conditions.
4. Not taking food from the cafeteria to other parts of campus.
5. Not breaking in line.
6. Not leaving the cafeteria without permission. Permission must be granted by the administrator or teacher on duty.

CHARGE POLICY AND NSF POLICY

Douglas County School Nutrition will continue to monitor the approved student charging limits which states:

- High school students and adults are not allowed to charge
- Elementary and middle school students may accumulate a maximum in charges to equal the price of two full pay student lunches. This charge limit includes any charges for breakfast and lunch. Ala carte items may not be purchased if a child owes charges. After the charge limit is reached, a student will be offered a supplemental meal which consists of a sandwich and a beverage. No supplemental meal is served at breakfast. This regulation is to ensure that a child will not go hungry while potential losses of school nutrition funds will be limited.

If we receive two NSF checks for a student and/or siblings, we will no longer accept any checks for the student and/or siblings for the duration of their attendance in Douglas County Schools.

EXTRA CURRICULAR ACTIVITIES

An updated list of all extra curricular activities available at each school can be found on the school website.

RECORDING DEVICES

Students are not allowed to bring any recording device to school. No video or tape recording device can be used to record school day events unless authorized by the principal.

STUDENTS RELEASE TO NON-CUSTODIAL PARENTS

Schools shall not release students to individuals other than custodial parent(s)/guardian(s) without permission from the custodial parent(s)/guardian(s). It is the responsibility of the custodial parent(s)/guardian(s) to notify the school when their child will be picked up by anyone other than those filed in the child's records.

VISITORS

Parents or other adults who have business at the school must report to the office. All visitors are expected to leave promptly when their business is completed. No school-age children are allowed to visit at any time during school hours without administrative approval.

PARENT CONFERENCES

We welcome the opportunity to discuss school matters with parents. Please feel free to call your child's teacher, the counselor, or an administrator to set up a conference. We encourage parents to be involved in the educational process of their children.

OBSERVATIONS/VISITATIONS

Elementary schools value the concept of parents as partners in education. Parent and community support and assistance are vital in all facets of the school program.

Parents and community members have opportunities for observing students in the educational setting through a number of established activities and events. Special events are scheduled to showcase student endeavors. Examples are: Academic bowls (spelling bee, geography bee), musical and dramatic presentations, art displays, Business Back to School Day, athletic events, and awards ceremonies. Parents participate directly in the instructional program through PTSO, volunteer work, field trips, school advisory committees, and individual parent/teacher conferences.

If parents wish to arrange individual classroom or school visitation, they will be provided the opportunity. Visitations should be limited to two class periods during the school day.

The following guidelines will be observed:

As a courtesy to the teacher, it is requested that an appointment be made for all visitations. Contacting the teacher by note or telephone, at least one day in advance, is recommended. If it is not possible to contact the teacher before or after school hours, the office should be contacted by telephone or note to arrange for a visit. Make your request to the Principal at least 24 hours prior to the requested visitation time. In your request, please state the purpose of the visit.

Sign in at the front office to receive your visitor's badge. You will then be escorted to your student's classroom.

Classroom visitations are not a time for teacher-parent conference. Parents should not expect teachers to conference with them at these times. The regular school program must continue during such visits. During your visit, refrain from engaging the attention of teachers or students through conversation or other means.

Remain as inconspicuous to the instructional process as possible.

Return to the office at the end of your visit to check out and return your badge.

For the safety of students, no unauthorized persons are allowed in the building without administrative approval. Students not enrolled at our school are not allowed to visit during the

school day due to unnecessary classroom interruptions, which are detrimental to the learning process.

Visitors are under the supervision of the administration while on campus. Any questions or concerns regarding your visit should be referred to the administration.

GUIDANCE PROGRAM

Student Services

The Board of Education recognizes the importance of balanced educational programs and services designed to provide academic and occupational preparation of all the district's children and youth. Student Services shall be to assist educators in identifying potential student problems so that pupils may better profit from the instructional program. The Board of Education will provide an adequate program of student support services to meet the guidance, counseling, testing, social services, psychological and career development needs of their pupils.

The guidance program shall consist of the generally accepted services (orientation, information, analysis, placement, follow-up and counseling). The counseling relationships with students will be treated as confidential except when a student poses an imminent danger to himself/herself or others or when the student reveals matters that by state law must be reported.

The standardized testing activities that are useful to the instructional program and helpful in meeting guidance needs are also services of the guidance program. The scope of these activities may vary with the individual needs of the student population and the availability of especially trained staff members.

ELIGIBILITY PROCEDURES FOR GIFTED PROGRAM

Program Challenge, as mandated by Georgia law, provides services to identified gifted students. A school Eligibility Committee receives referrals for testing from school personnel or parents and determines eligibility for testing. Students are evaluated in mental ability, achievement, creativity, and motivation, and must meet either three of the four criteria or qualify in achievement and mental ability. Students are served through differentiated curriculum in the Resource Room or advanced content. At least one teacher serves every school. Additional information provided upon request.

GRADING GUIDELINES AND REPORT CARDS

- N = Needs Improvement
- U = Unsatisfactory

Conduct

Student conduct shall be evaluated as follows:

S = Satisfactory

N = Needs Improvement

U = Unsatisfactory

Number of Grades Per Nine (9) Weeks

Grades should reflect a student's relative mastery of an assignment and that a sufficient number of grades are taken to support the grade average assigned. Teachers will take a minimum of nine (9) grades in each subject area in Reading, English/Language Arts, Math, Science, and Social Studies.

Notification of Failure

The Principal should establish school procedures requiring parent/guardian notification prior to a student's receiving a failing grade as a final grade for an evaluation period. At a minimum, parents should be contacted by progress report time.

Makeup Work

All students will receive credit for satisfactory makeup work after an excused absence. A student will be given as many days as he/she was absent to make up tests and assignments. Teachers are not required to provide assignments prior to an absence.

Extra Credit

Extra Credit opportunities will be provided consistently across grade levels at the discretion of the principal and must be academic in nature.

Quarterly Assessment (QA)

- Teachers may allow students the opportunity to retest after a period of remediation determined by the teacher.
- Teachers must obtain prior approval from their principal for the development of a retest QA.
- Retest QAs should be developed by a group of two or more teachers from the same subject area/grade.
- Retest QAs must be the same format, using similar standards and assessment strategies as the original QA.
- The original QA grade can be replaced with a retest QA grade.

Homework

Homework will not be counted for a grade unless it is a project that will be graded with a rubric. Estimated times for daily homework are shown below. (This time incorporates reading.)

Kindergarten and First Grade 15-20 minutes

Second Grade	20-30 minutes
Third Grade	30-40 minutes
Fourth Grade	40-50 minutes
Fifth Grade	50-60 minutes

If two or more teachers are working with a student, the homework should be coordinated to adhere to the estimated daily homework schedule. Because students work at different paces, it may take some students more or less time to complete assignments. Homework is work that is assigned to be completed at home or in a designated after school program. No new concepts should be included in homework unless using a flipped classroom approach. Homework is not to be assigned on weekends, before holidays, or during holidays with the exception of previously scheduled special reports and/or projects. Homework is an effective tool in developing responsibility, study habits, and skills. It is an extension of the learning process and involves the home in the child's curriculum. It should be purposeful, related to classroom experience, and be age and grade appropriate. The purpose and directions for the assignments need to be clearly communicated and should be preceded by instruction that adequately prepared the child to do the task independently and successfully.

Teacher Responsibilities

- To provide meaningful tasks that enrich and supplement work introduced in class
- To communicate homework assignments, both regular and long-range in an appropriate framework
- To provide effective instruction prior to assigning homework that adequately prepares the child to do the task independently and successfully
- To provide course requirements and expectations at the beginning of each grading period to students and parents
- To consider available resources, materials, and home situations when assigning a task

Parent Responsibilities

- To establish a specific time, place, and manner for homework to be completed
- To monitor as needed, but not do homework for the student
- To assist the student in planning a time schedule for long-term assignments/projects
- To initiate communication with the teacher when concerns arise
- To promote 15-20 minutes of reading each night

Student Responsibilities

- To complete assigned work on time and return it to the teacher
- To plan to carefully schedule work on long-term assignments so that assignments will be completed on time
- To communicate with the teacher when he/she does not understand the assignments or is experiencing difficulty prior to the due date
- To read 15-20 minutes per night

APPEALS

ABSENCES AND EXCUSES

DESCRIPTION CODE: JBD-R(1)

In order to receive maximum benefit from the instructional activities, students are expected to be in school each day unless excused for legitimate reasons. Good attendance habits positively impact the learning process and carry over into the world of work. While teachers and administrators are charged with the responsibility of providing worthwhile daily activities for students, the student and their parents must assume responsibility for being punctual and regular in attendance. It is the position of the Douglas County Board of Education that every day at school is important and that no student ever be absent except for extraordinary reasons. To emphasize the importance of good attendance, and to provide consistency throughout the school system, the following guidelines will be used.

ATTENDANCE RULES

1. Absences will be classified as excused or unexcused.

Excused absences are those due to emergencies such as:

- A. Personal illness or attendance in school endangers a student's health or the health of others.
- B. A serious illness or death in a student's immediate family necessitating absence from school
- C. A court order or an order by a governmental agency, including preinduction physical examinations for service in the armed forces, mandating absence from school.
- D. Observing religious holidays, necessitating absence from school.
- E. Conditions rendering attendance impossible or hazardous to student health or safety.
- F. A student whose parent or legal guardian is in military service in the armed forces of the United States or the National Guard, and such parent or legal guardian has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting, shall be granted excused absences, up to a maximum of five school days per school year, for the day or days missed from

school to visit with his or her parent or legal guardian prior to such parents or legal guardians deployment or during such parents or legal guardian leave.

G. Any other reason approved by the Georgia State Board of Education.

Students shall be counted present when they are serving as pages of Georgia General Assembly.

Unexcused absences are all failures to attend school other than those specifically excused by the administration.

2. Absences and tardies will be recorded in each class. Absences and tardies from school will be recorded on the student permanent record. A student must be present at school for at least one-half of the required instructional time to be counted present for the day.

3. A high school student must be enrolled in each course a minimum of 130 clock hours per semester (including days transferred from other schools) to receive Carnegie unit credit for the course. A student must be present every day except those determined to be excused absences. A clock hour is defined as 60 minutes of instructional time.

4. If a student is absent from school, the student must bring a note with the signature of a parent, doctor, dentist, judge, etc. stating the date and reason for absence. This written excuse must be presented to the appropriate teacher(s) within three (3) school days of the student's return to school from the absence. This is the responsibility of the student. The principal will resolve any question in determining whether an absence is excused or unexcused.

All work missed due to an excused absence must be made up by the student within a reasonable time, or receive zeros in work missed. It is the student's responsibility to make arrangements with the teacher for make-up work.

In order to participate in an extracurricular or after school activity, a student must be in attendance on the school day of the activity.

Unexcused absences will result in no credit for work missed.

A student who misses one-half or more of a class period (unexcused) will be counted absent for that class.

For each absence beyond ten (10), students must bring an excuse from a doctor, dentist, health center, court, etc. for the absence(s) to be excused.

5. Individual teachers (in grading policies) or schools will provide incentives for good attendance.

6. Any parent, guardian, or other person having control or charge of any child or children between the ages of six and sixteen shall send such child or children to school. On the sixth unexcused absence a violation of this code (O.C.G.A. 20-2-690.1) will result in said person being guilty of a misdemeanor. Upon conviction thereof, shall be subject to a fine of not less

than \$25.00 nor greater than \$100.00, imprisonment not to exceed 30 days, community service, or any combination of such penalties.

Two reasonable attempts to notify the parent/guardian will be made by the school on the fifth unexcused absence. If no response is achieved the school shall send a notice by certified mail, return receipt requested. Each day absence from school after notification on the fifth unexcused absence shall constitute a separate offense.

7. Student parking at Douglas County School System high schools is a privilege provided for high school students who purchase a parking decal. High school administrators may suspend a student's parking privilege for the remainder of the semester for leaving campus without authorization, for truancy, or for having six unexcused tardies to school. The suspension of parking privileges will extend for at least forty-five (45) days. If a semester has less than forty-five (45) days remaining when the suspension occurs, the balance will be served at the beginning of the next semester or school year. There will be no refund for the cost of the parking permit. At the conclusion of the suspension of parking privileges, the student may reapply and purchase a parking decal if parking space is available.

ELEMENTARY DRESS CODE

DESCRIPTIVE CODE: JCDB-R(3)

The Douglas County School District dress code requires students to dress "in a manner that is conducive to a good learning environment."

In the selection of school dress, parents and students should exercise good taste and good judgement. Many "fads" in dress are not appropriate for school. Therefore, student dress should reflect neatness, cleanliness and should not distract or cause disruption in the educational process of school.

The school administration reserves the right to determine if a student's dress and personal appearance are too casual, too revealing, or too distracting from the learning environment to be considered appropriate for school. The health and safety of all students will be taken into consideration when making decisions regarding appropriate /inappropriate attire.

Every student enrolled in Douglas County Schools is expected to observe a standard of grooming and dress consistent with the level of formality of the school setting. Certain items of dress are not considered appropriate and therefore, are not acceptable, and could result in a child having to call parents at home or work to bring more appropriate clothing. Examples include (but are not limited to) the following:

- a. Hats, visors, hoods pulled up, sweat bands, skull caps, bandanas or other head garments including non-prescription sunglasses worn inside the building;
- b. Beach or shower shoes, bare feet, flip flops or rubber and/or metal cleats are not allowed in school or on buses;
- c. Shoes with any type of wheels or other rolling apparatus.
- d. Clothing that shows the bare midriff, bare back or the bare shoulders.
- e. Tank tops; (Shoulders must be covered; arm holes tight fitting) are permitted only for students in K, 1st, 2nd, grades. Tank tops are not permitted in 3rd, 4th and 5th grades.
- f. See-through or mesh clothing unless worn over other apparel;

- g. Any clothing or articles advertising or displaying the insignia of drugs, tobacco, or alcoholic beverages shall be prohibited;
- h. Any clothing with profane or obscene language or symbols displayed, any clothing which promotes violence; or does/may cause a disturbance.
- i. Gang related appearance, clothing or objects are prohibited.
- j. All pants which are not worn at the waist;
- k. Heavy coats or raincoats inside buildings and classrooms;
- l. Heavy chains or dog collars around the waist or neck, or attached to a wallet. Purses (including cross-strap) must be kept in bookbag.

- n. Pajamas, bedroom shoes or other sleepwear;
- o. Holes or patches, on clothing, above the knee; girl's leggings or tights (unless under a dress or covering buttock area by a top).

Good taste and good judgement should be used by parents and students alike in the selection of school dress. Many "fads" in dress are not appropriate. The school administration reserves the right to determine if certain other items are too casual, too revealing or too distracting from the learning environment to be considered appropriate for school. Health and safety of all students will be taken into consideration when making decisions regarding appropriate/inappropriate attire, including the tucking of shirts.

Some exceptions to these guidelines may be made for special activity days such as field days and character costume days as determined by the school principal. Special accommodations may also be made for health reasons. Total days for exceptional dress must be limited to no more than 5% of the student calendar (9 days) due to impact on the learning environment. Exceptions should be announced to students and parents well ahead of the date. Clear explanations of what will and will not be allowed must be included in the announcements.

Consequences for failure to comply:

The administration will determine consequences. These may include dress modification, parent notification, counseling or In School Suspension. Refusal to comply with the dress code, repeated offenses, or violations of severe nature may result in a higher degree of discipline.

The Student Handbook shall serve as first notice of Dress Code Policy. The school administration may require more restrictive requirements in their local school dress code, with reasonable notification.

STUDENT DISCIPLINE

1. To ensure an environment for teaching and learning which is protected from disruption and harassment.
2. To provide information to students and parents about rules and regulations (expected student conduct) of the school system and possible penalties for violations of these rules and regulations.
3. To provide uniform administrative and disciplinary procedures in the local schools.

4. To provide for enforcement of school disciplinary rules when the student is on school property, in attendance at school or at any school sponsored activity or engages at any time or place in conduct that has a direct effect on maintaining order and discipline in the schools.

Statement of Student Misconduct

These rules are designed to notify students as to the types and range of behavior expectations. Every specific variation of conduct may not have been included. Consequently, students should expect to be disciplined for misconduct that is so obviously inappropriate, particularly in light of societal expectations and the scope of these expectations that a specific expectation need not be written for every conceivable variation of behavior that directly affects the orderly mission of the school.

Consequences of Student Misconduct

Local school administrators have broad discretion to determine consequences for student misconduct at the local school level. The range of consequences for misconduct that can be assigned by a local school administrator may include without limitation, student conference, parent conference, before or after school detention, In-School Suspension, Saturday School/previous detention, Out-of-School Suspension up to ten days per incident, referral to a Student Disciplinary Tribunal Hearing which may result in Long-Term Suspension or expulsion and, depending upon the severity of the offense, law enforcement officials may be contacted.

Safe Schools Policy

It is the policy of the Douglas County Board of Education to ensure the highest possible standards of learning as well as the safety, health, and well-being of its students and employees. The Douglas County Board of Education recognizes that gang/hate groups and gang/hate group-related activities can substantially interfere with student and employee productivity.

In accordance, the Douglas County Board of Education is dedicated to preventing the influence of gang/hate groups or gang/hate group-related activities in our schools.

The appropriate school officials reserve the right to punish any gang/hate group or person displaying gang/hate group-related behavior which is subversive to good order, discipline and well-being in our schools.

provide well-planned, appropriate lessons for each class every day that school is in session. In order to receive maximum benefit from the instructional activities, students are expected to be in school each day unless excused for legitimate reasons. Good attendance habits positively impact the learning process and carry over into the world of work. While teachers and administrators are charged with the responsibility of providing worthwhile daily activities for students, the students and their parents must assume responsibility for being punctual and regular in attendance. It is the position of the Douglas County Board of Education that every day at school is important and that no student ever be absent except for extraordinary reasons. Truancy may lead to court action against the student and parent.

DISCIPLINE OF STUDENTS WITH DISABILITIES

Discipline of students with disabilities requires certain considerations because behavior may be related to the disability. Following are general guidelines:

1. Determine which students have been identified as disabled and review their IEPs or Section 504 Plan at the start of the semester before there are discipline problems.
2. An IEP or Section 504 Plan may include a Behavior Intervention Plan that specifies how certain behaviors are to be handled. This plan should be followed in all school settings - regular or special.
3. Students whose IEPs or Section 504 Plan do not address behavior or discipline should be treated like non-disabled students with common sense consideration of the disability (see * below).

4. Classroom teachers should work closely with special education teachers and the Student Support Team to determine appropriate methods of discipline.

* In all cases, however, a student with a disability may not be suspended from school (including ISS - if the student does not receive the specified special education services) for more than a cumulative total of 10 days per school year. When the total number of suspension days nears 10 or a significantly disruptive behavior occurs, the following procedure should be followed:

1. The Director/Coordinator (or designee) of Special Education should be notified to assure that all due process procedures are followed.
2. The IEP committee will carefully review the IEP and current placement to determine if the behavior is related to the disability and if change should be made in the IEP.
3. For Section 504 students, the SST will review the 504 Plan and determine if the behavior is related to the disability.

BUS CONDUCT

School bus transportation is a privilege afforded pupils by the Board of Education. It is not a right. To protect the safety and well-being of all involved, pupils must adhere to established bus conduct rules. Bus transportation privilege may be revoked if the pupil does not observe bus conduct expectations.

Bus Conduct Rules

1. Students should always conduct themselves in an orderly manner and obey all bus safety rules.
2. All students are under the jurisdiction of the driver while aboard each bus.
3. The driver is responsible for seating arrangements on each bus.
4. Students will remain seated while bus is in motion.
5. Students must refrain from loud talking, horseplay, throwing objects on or from the bus, or doing anything that will detract from the driver's attention.
6. Anyone damaging a bus will be responsible for restitution.
7. All parts of the body must be kept inside the bus at all times.
8. Smoking, chewing gum, eating, or drinking on the bus is not permitted.
9. It is the responsibility of the driver and each rider to help keep the bus clean.
10. The use of profanity on the bus will not be allowed.
11. Students will be picked up and delivered at their regular designated site each day. Written requests from the parent or guardian will be filed with the principal if it becomes necessary for a student to depart a bus other than at his/her regular stop. The principal will authorize the driver to make such a stop. Exceptions may be made if a safety hazard is involved.
12. Buses are provided for transporting students: therefore, large objects such as boxes, recreation equipment, large band instruments, etc., should not be on a bus.
13. Students must refrain from inappropriate display of affection.
14. Assignments to specific buses will be made by school authorities.
15. Students are expected to abide by the Douglas County School System Student Discipline Code.
16. Students shall not possess or use objects such as mirrors, lasers, flash cameras, or any other lights or reflective devices in a manner that might interfere with the school bus driver's operation of the school bus.

This also includes the usage of any electronic devices during the operation of a school bus in a manner that might interfere with the school bus communications' equipment or the school bus driver's operation of the bus.

NOTE: If a student is found to have engaged in bullying or physical assault or battery of another person on the school bus, the policy must require a meeting of the parent or guardian and district officials for the purpose of forming a school bus behavior contract for the student. Contract provisions must provide for appropriate progressive discipline and may include assigned seating, ongoing parental involvement and suspension from riding the bus. School bus contracts can be used for other infractions as well.

ALCOHOL AND OTHER DRUGS

DESCRIPTIVE CODE: JCDAC

Douglas County School System acknowledges the problem of substance abuse in society. We value all our students and believe their use or possession of alcohol and other drugs is harmful to their physical, emotional and mental health and it is also wrong and unlawful. We believe the use of alcohol or other drugs decreases their ability to learn and may create dangerous situations for them, other students, or school system employees. It is our intention to maintain a safe, healthy environment conducive to learning for all students and to protect the reputation of the Douglas County School System. Accordingly, the following policy is set forth. This policy shall apply to all students and compliance with this policy is mandatory as per requirements for the Drug-Free Schools and Communities Act of 1989.

It shall further be the policy of the Douglas County School System to provide age appropriate, developmentally based drug and alcohol Education and prevention programs, which address the legal, social and health consequences of drug and alcohol use and to provide information about effective techniques for resisting peer pressure in the use of illicit drugs or alcohol for all students in the system. These programs shall provide information about any drug and alcohol counseling rehabilitation and re-entry programs available to students.

NARCOTICS, ALCOHOLIC BEVERAGES, AND STIMULANT DRUGS

A student shall not possess, sell, use, transmit, or be under the influence of any narcotic drugs, hallucinogenic drugs, and amphetamines, barbiturates, cocaine, marijuana, controlled substances, alcoholic beverages, anabolic steroids, look-alike drugs, or intoxicants of any kind:

1. on the school grounds during and immediately before or immediately after school hours.
2. on the school grounds at any other time when the school is being used by any school group.
3. off the school grounds at a school activity, function or event.
4. en route to and from school or school activity on school system buses or chartered buses acquired for school activities.

Compliance with these requirements is mandatory. Use of a drug authorized by a medical prescription from a registered physician should not be considered a violation of this regulation. All prescription drugs shall be kept in the original container.

CONFISCATED ITEMS

When students bring items to school that violate school rules, those items will be confiscated and kept in the office until picked up by the parent or guardian. Confiscated items must be claimed not later than two (2) weeks after the end of the semester. Unclaimed items will be discarded. Neither

the school nor the school system are responsible for the security of confiscated items.

INTERROGATIONS AND SEARCHES BY SCHOOL OFFICIALS

Interrogations

The principal of each school, and his/her authorized representatives, have the authority to conduct reasonable interrogations of students in order to properly investigate charges of student misconduct.

Searches and Seizure

To maintain order and discipline in the schools and to protect the safety and welfare of students and school personnel, school authorities may search a student, student lockers, or student automobiles under the circumstances outlined below and may seize any illegal, unauthorized, or contraband materials discovered in the search.

A student's failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action.

All searches by school employees shall be reasonably related to the objectives of the search and not excessively intrusive in light of the student's age and gender and the nature of the infraction.

Personal Searches

A student's person and/or personal effects (e.g., purse, book bag, etc.) may be searched whenever a school authority has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials or contraband. If a pat down search of a student's person is conducted, it will be conducted in private by a school official of the same sex and with an adult witness present.

Locker Searches

Student lockers are school property and remain at all times under the control of the school; however, students are expected to assume full responsibility for the security of their lockers. Periodic general inspections of lockers may be conducted by school authorities for any reason, at any time without notice, without student consent, and without a search warrant.

Seizure of Illegal Materials

In the event search of a student's person, his/her personal possessions, vehicle, or locker reveals the student is concealing material, the possession of which is prohibited by federal, state, or local law, such findings shall be turned over to the proper legal authorities so that they may take appropriate action, in addition to any action taken by the school or school district.

School Property

Student lockers, desks, and other such property are owned by the school. The school exercises exclusive control over school property, and students should not expect privacy regarding items placed in school property because school property is subject to search at any time by school officials. Students are responsible for whatever is contained in desks and lockers issued to them by the school.

Suggested Procedures

If a school official has reasonable cause to believe that contraband is present, he or she may institute a search. Although the following procedures for a search are suggested, they are not mandated because the circumstances attendant to the need for each search may vary. The student should ordinarily be required to be present and asked to consent to the search. If after being informed of the basis for the school official's reason to search, the student does not consent, the school official may proceed with the search, contact security, or, if necessary, call law enforcement authorities. Ordinarily, and if circumstances permit, the search of a person or his or her effects should be conducted out of the presence of other students.

Use of Canines

The Administration is authorized to utilize canines whose reliability and accuracy for sniffing out contraband has been established to aid in the search for contraband in school owned property and automobiles parked on school property. The canines must be accompanied by a qualified and authorized trainer who will be responsible for the dog's actions. An indication by the dog that contraband is present on school property or an automobile shall be reasonable cause for a further search by school officials.

Use of Metal Detectors (Magnetometers)

Weapons of any nature on school property or at school functions are prohibited by school policy and state law. The presence of weapons is inherently dangerous to all persons in the school setting. When the Administration has reasonable cause to believe that weapons are in the possession of unidentified students, when there has been a pattern of weapons found at school, or when violence involving weapons has occurred at a school, the Administration is authorized to use stationary or mobile metal detectors only upon the approval of the Superintendent or his/her designee, unless the health or safety of students will be endangered by the delay which might be caused by following these procedures.

When a metal detector is being used, students will be allowed to use only the entries designated. If a metal detector activates on a student, the student should be asked to remove metal objects from his or her person and walk through or be scanned again. If, after the removal of other metal objects and a third activation by the metal detector on the student, the student should be taken to a room out of view from the other students where the procedures suggested above for a search would be applicable.

Notice

Students will be provided notice of the Policy concerning search and seizure by having them placed in the student handbook or distributed by supplemental publication. A copy of the Policy

will also be posted in the principal's office or another prominent place in each school. If a metal detector is to be used, the additional notices required for its use will be given.

Definitions

For purposes of this policy the following definitions are applicable:

"Unauthorized" is any item dangerous to the health or safety of students or school personnel, or disruptive of any lawful function, mission, or process of the school, or any item described as unauthorized in school rules available to students in the Student/Parent Handbook distributed to all students beforehand.

"Contraband" is all substances or materials, the presence of which is prohibited by school policy, state law, or federal law, including but not limited to, controlled substances, drugs, alcohol or alcoholic beverages, improperly used inhalants such as glue or aerosol paint, guns, knives, weapons, and incendiary devices.

"Reasonable cause" or *"reasonable suspicion"* is the standard for a search on school property or at school related events which is based on the school official's specific reasonable inferences which he or she is entitled to draw from the facts in light of the school official's experience. Specific reasonable inferences may be drawn from instances including but not limited to, a tip from a reliable student, suspicious behavior which suggests that contraband is present, a smell indicating the presence of the contraband or a bulge in a pocket, etc. Reasonable cause or reasonable suspicion should not be based on mere hunch.

Application of Policy

Students are entitled to the guarantees of the Fourth Amendment, and they are subject to reasonable searches and seizures. School officials are empowered to conduct reasonable searches of students and school property when there is reasonable cause to believe that students may be in possession of drugs, weapons, alcohol, and other materials ("contraband") in violation of school policy, state law, or federal law. Students who bring contraband on to school grounds may be searched in order to secure the school environment so learning can take place and to protect other students from any potentially harmful effects stemming from the contraband. School property shall remain under the control of school officials, and shall be subject to search. The Administration may utilize canines and metal detectors (magnetometers) as provided in the Policy. This policy shall not be interpreted to hinder or preclude law enforcement's lawful discharge of its duties.

BUS TRANSPORTATION

The Douglas County School District, its officers, officials and employees are not responsible for injury or other loss which might occur to a student or a student's property while traveling on approved school field trips or activities.

School transportation is provided in conformance with pupil transportation policies and procedures established by the State Board of Education and the Douglas County Board of Education.

The school system operates over 328 buses serving more than 440 routes and covering more than 10,000 miles daily. Most drivers have an elementary school route and either a middle or a high school route. Some drivers, such as our Special Needs Drivers, may serve several different schools in both their morning and afternoon routes.

Transportation is also provided for a wide variety of school-related activities.

Each school bus is equipped with advanced safety devices to help the driver see and protect those riding the bus. These are only mechanical devices. It is important that all who ride a bus know and practice the skills of being a safe rider. A safe rider observes bus conduct rules at all times, thereby reducing the opportunity for injury or accident.

Bus drivers complete an intensive training program and must pass the road and written test required to secure a commercial driver's license (CDL), with a Passenger and School Bus endorsement

School transportation is a privilege. To maintain this privilege, a student must abide by established bus conduct rules. A pupil's transportation privilege may be suspended or revoked if conduct creates a disruption or safety hazard on the school bus. The principal or his/her designee handles all disciplinary action taken for misconduct on the school bus.

Bus Conduct Rules

See Elementary Discipline Code

JD-R(2)

Bus Suspension

A pupil found guilty of certain offenses may be suspended from the bus for a period up to the remainder of the school year.

Student Discipline

The school bus is an extension of the classroom. The school day begins when the student enters the bus and ends when the student leaves the bus. It is the responsibility of the Principal (not the driver) to determine and enforce disciplinary actions and notify the parents.

Student Discipline Procedures

To protect the safety and well-being of all riders, pupils must follow bus conduct rules. Students who insist on violating the Bus Conduct Rules will be disciplined as follows:

General or Minor Offenses

Behavior such as chewing gum, talking loudly, bringing food or beverages on the bus, cell phone use, etc. is considered a general or minor offense.

Serious or Major Offenses

More serious or major offenses and repeated offenses may require immediate attention by the Principal and/or Law Enforcement, or Resource Officer. Examples of 1 offenses include (but are not limited to) weapons, illegal substances, assault, threats or intimidating behavior towards another student, bus driver, or bus monitor.

Bus Loading Zones

Bus loading zones at the schools are restricted to school buses only during the 30 minutes immediately before and after school. Cars in the bus lanes present a serious safety hazard for pupils. To protect pupils, unauthorized vehicles in bus loading zones are subject to ticketing.

Service Provisions

- Bus service is provided to and from a pupil's home and school. Service to other locations, such as after school daycare/babysitter, is provided only if the destination is located within the student's assigned school district. Bus service is not provided to or from business locations (other than daycare). No exceptions.
- Students may not be released from the bus to any person at any location other than their designated stop without approval from an administrator or supervisor.
- Bus conduct rules must be obeyed. Failure to do so may result in suspension of bus privileges.
- Parents are responsible for their children going to and from the bus stop and while waiting at the bus stop.
- Written permission from a parent, signed by the principal, is required for a child to ride a bus on which he is not assigned or to leave the bus at a stop other than his assigned stop.
- Pupils must be at their designated bus stop 5 minutes before your scheduled pick-up time located at <http://webquery.douglas.k12.ga.us/edulog/webquery>. The time posted is an anticipated time. Please be aware that the bus is considered on time if it is within 5 minutes, early or late, of the anticipated time.
- Buses cannot wait for latecomers.
- If a student misses the bus, Douglas County School System Transportation is not responsible for coming back to pick up the student.
- Only authorized persons may board or ride a school bus.
- Glass, items too large to fit in a pupil's lap, weapons, firecrackers, pets, gum, drinks, food or candy, and hazardous materials are not permitted on the bus.
- Electronics are permitted on buses at the discretion of the driver, but earphones/earbuds must be utilized. When earphones/earbuds are used, one ear must remain free at all times so the student may hear any instruction from the driver. Also, earphones/earbuds must be removed when students are loading or unloading the bus.

On-Street Bus Service

Buses are routed along major streets. For a bus to be routed down a street off the trunk route, the following two criteria must be met.

1. A child's walking distance to the nearest bus stop is
 - a. greater than .2 mile or more for elementary school students;
 - b. greater than .3 mile or more for middle or high school students.
2. The street is safe for bus travel and has a safe bus turnaround.
3. When a street is determined to be too dangerous for a student to cross, door side service will be mandated. The decision will be up to the Douglas County School System department of transportation.

Bus Stops

- Drivers are not permitted to deviate from their route without permission from a route supervisor.
- State regulations require bus stops to be spaced at least one-tenth (.1) mile or more apart. Exceptions are allowed only in response to a safety hazard.
- Buses are not permitted to travel on closed or flooded roads. Bus stops served by such a road will be temporarily relocated to the closest safe location. Service will be restored once conditions permit.
- Bus stops on the routes are not always the same as the previous year.
- Buses are not to be routed on private property (this includes most mobile home parks and apartment complexes).
- If a student has no key or objects to disembarking the bus, the driver will radio for instructions.
- The parent/guardian is responsible for submitting special requests for permanent drop offs to transportation and the school.

Parental Assistance

Parents can help us by:

- Making sure your child is at the bus stop five minutes early before your scheduled pick-up time located at <http://webquery.douglas.k12.ga.us/edulog/webquery>.
- Review bus safety rules with your child and stress the necessity of observing them.
- Teaching your child to obey the bus driver.
- Cooperating with school officials and school bus drivers regarding appropriate conduct of your child at the bus stop and on the bus.
- Helping your student understand that student behavior on school buses is considered an extension of classroom behavior.
- Educating your children on the rules of school bus safety.
- Reminding your child to walk on the sidewalk, or the shoulder of the road, on the way to the bus stop and not on the traveled portion of the road.
- Reminding your child to wait in a safe place, well off the road, until the bus comes to a stop.
- Students should not move toward the bus until the bus and all traffic have stopped. Students should wait for driver instruction/signal before crossing the road when preparing to board or depart the bus. It is very important to look and wait for instruction/signal – do not expect approaching traffic to stop.
- Periodically remind your child of the importance of mannerly and orderly behavior at the bus stop. Periodically check on students at the bus stop.
- Accompanying very young children to the bus stop and meeting them on their return from school is the responsibility of the parent.

SAFE RIDING

10 Safety Rules for Students

1. Arrive at your bus stop 5 minutes before your scheduled pick-up time.
2. Dress for the weather – umbrella and raincoat for rain; coat and gloves when cold.
3. Never stand or play in the road. Wait for the bus a safe distance from the road.
4. Always use the handrail when boarding or leaving the bus.
5. Remain seated and keep head, hands, and feet inside when the bus is moving. Your seat

is designed to protect you in the event of an accident.

6. Never try to reach for anything under or beside a bus. Ask your driver for help.
7. Observe silence when approaching and while stopped for railroad crossings so the driver can hear if a train is coming.
8. Look carefully before crossing the road. Do not assume a car will stop for you – wait to be sure it is stopped before crossing. Watch for your driver's signal before crossing the road.
9. Always cross in front of the bus – NEVER behind it!
10. Talk quietly while on the bus. Do not "horseplay". Your driver must give full attention to driving to ensure your safety.

SEVERE WEATHER / EMERGENCY CLOSING OF SCHOOLS

The Superintendent is authorized to close schools in cases of emergencies or severe weather. WSB Radio and TV are the stations first notified of emergency announcements for the Douglas County School System.

Emergency Suspension of School Activities

Abnormal conditions sometimes occur which require temporary suspension of school activities. These possible conditions include inclement weather (ice and snow storms); failure of power, gas, or water supply, and breakdown of heating system.

Some situations affect only one school while in other cases several or all Douglas County Schools may be involved. In all instances the safety, welfare, and health of students and employees are the basic factors considered in making a decision as to whether or not to suspend temporarily the normal activities of a school day.

The Superintendent has the responsibility of making decisions on suspension of school activities. If the Superintendent is not available, a person designated by the Superintendent will assume this responsibility. School principals will be notified of such action by the most expedient direct means, either by telephone or personal contact.

INTERNET FILTERING REGULATION

1 PARENT/GUARDIAN AUTHORIZATION FORM

- 1.1 Form only needs to be signed one time and this will follow the student while he or she is in the Douglas County School System.

1.2 The Parent/Guardian Authorization Form should be kept in the Media Center for all students.

1.3 If the student transfers to another school, the original Authorization Form will be acceptable for the new school.

1.3.1 A copy of the form should be sent with the student's records.

1.4 If the parent/guardian wishes to change his or her previous wishes and not allow the student to access the Internet, then the parent/guardian must state that in writing to the school.

1.4.2 If there is a new parent/guardian that has legal custody of the student and a previous parent/guardian signed the Parent/Guardian Authorization Form, then the current parent/guardian's wishes shall be followed. However, these wishes must be properly communicated to the school system in writing by either filing a Parent/Guardian Authorization Form or by writing the school requesting that the student not participate in Internet activity.

1.4.3 Should there be a change in parent or guardian custody of the student and that parent or guardian makes no specific requests, then the wishes of the previous parent or guardian will be observed.

2 OBTAINING PARENT/GUARDIAN AUTHORIZATION FORM

2.1 Form is sent to students at the beginning of school.

2.2 New students are given the form with other paperwork as they check into a school.

2.3 Individual teachers may give the form to the student.

3 STUDENT INTERNET ACCESS TO THE COMPUTERS

3.1 All students are provided computer access by default in the Douglas County School System and all computers have access to the Internet. Students should not access the Internet unless a Parent/Guardian Authorization Form has been completed.

3.2 Parent/Guardian Authorization Forms will be kept on record at the school.

1.3 Process for Removing Student Internet Access

3.3.1 All computers have Internet access in the Douglas County School System. If a parent/guardian requests that a student not have Internet access it will be the responsibility of the teacher to monitor student computer use in order to insure this or the student's access to the computer will have to be removed. If removal of computer access

is requested, the Media Specialist or an administrator will place a technology help request for the removal of the student's computer login. This request will verify that the proper written request from the parent or guardian has been recorded and that the school has this letter on file.

- 3.3.2 The Media Specialist should immediately notify the teachers of that student so that they can have other activities for the student during times when the class is accessing the Internet.

4 INTERNET FILTERING

- 4.1.1 The Douglas County School System filters all Internet content in order to provide safe and appropriate access to this resource. Since no filter can absolutely guarantee that students will not be exposed to objectionable pages from the Internet, the teacher or other staff member adult should monitor Internet activity by all students. If there is a problem with the Internet Filter, Technology Services will notify the schools and the Central Office Administration through e-mail that the filter is temporarily out of service and the issue will be resolved as quickly as possible.

5 WHEN AN UNACCEPTABLE SITE IS ACCESSED

- 5.1 The student should immediately notify the adult monitor and back out of the site by clicking on the "Back" button on the browser.
- 5.2 If the student has accessed a site that throws up multiple screens, the student should immediately turn off the monitor ask for assistance from an adult.
- 3.3 The adult monitor should remove the students from the monitor and write down the URL to the site so that it can be blocked in the future. The teacher should submit a technology help request that includes the URL as soon as possible so that the site can be blocked.

Resolution of School Related Concerns

It is the belief of the Douglas County Board of Education that students have both the right and responsibility to express school related concerns and grievances to the faculty and administration. Therefore, students shall be assured the opportunity for an orderly presentation and review of concerns.

For the discussion and consideration of a concern or grievance, any student or group of students should request a meeting time and place which will not interfere with regular scheduled classes or school related activities. The faculty and administration shall make an honest effort to resolve student grievances as quickly as possible and at the most immediate level of supervision.

COMPLAINTS AND GRIEVANCES

DESCRIPTIVE CODE: JCE-R(1)

Resolution of School Related Concerns

The Board realizes that there may be conditions in the school system that need improvement and that students should have some means to effectively express their concerns which will be considered and handled with fairness.

Students' concerns and grievances shall be resolved through orderly processes and at the lowest possible level.

Concerns and grievances shall be approached in the following manner:

1. the opportunity shall be provided any student or parents, to discuss with the teacher a decision or situation which is considered unjust or unfair;
2. if the matter remains unresolved, the student, parents, or teacher, may bring the matter to the principal's attention for consideration;
3. if the matter remains unresolved, it may be brought to the Superintendent or a designee for consideration;

Complaints and Grievances for Students Eligible Under Section 504

Any student or parent or guardian ("grievant") may request an impartial hearing due to the school system's actions or inactions regarding your child's identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system's Section 504 Coordinator; however, a grievant's failure to request a hearing in writing does not alleviate the school system's Section 504 Coordinator. The school system's Section 504 Coordinator will assist the grievant in completing the written Request for Hearing. The Section 504 Coordinator may be contacted through the school system's central office. Copies of the 504 Procedural Safeguards and Notice of Rights of Students and Parents Under Section 504 may be found at the system website or may be picked up at the central office or at any of the school offices.

HARASSMENT**DESCRIPTIVE CODE: JCAC**

It is the policy of this school district to prohibit any act of harassment of students or employees by other students or employees based upon race, color, sex, national origin, religion, age or disability at all times and during all occasions while at school, in the workplace or at any school event or activity. Any such act by a student or employee shall result in prompt and appropriate discipline, including the possible termination of employment or suspension or expulsion of the student.

Sexual harassment may include conduct or speech which entails unwelcome sexual advances, requests for sexual favors, taunts, threats, comments of a vulgar or demeaning nature, demands or physical contact which creates a hostile environment for a student or employee. There may be other speech or conduct which employees or students experience as inappropriate or illegal harassment which should also be reported; harassment can take many forms and it is not possible to itemize every aspect of the harassment forbidden by this policy.

Any student, employee, applicant for employment, parent or other individual who believes he or she has been subjected to harassment or discrimination by other students or employees of the school district as prohibited by this policy should promptly report the same to the principal of the school or to the appropriate coordinator designated in policy JAA/GAAA, who will implement the Board's discriminatory complaints procedures as specified in that policy. Students may also report harassment or discrimination to their school counselor or any administrator. Students and employees will not be subjected to retaliation for reporting such harassment or discrimination. If at any point in the investigation of reported sexual harassment of a student, the coordinator or designee determines that the reported harassment should more properly be termed abuse, the reported incident or situation shall be referred pursuant to the established protocol for child abuse investigation.

It is the duty of all employees to promptly report harassment forbidden by this policy. All supervisors will instruct their subordinates as to the content of this policy and, through appropriate professional learning activities, enlighten employees as to the varied forms or expression of prohibited harassment. The principals of all schools shall ensure that students and parents are informed through student handbooks and verbally that such harassment is strictly forbidden, how it is to be reported and the consequences for violating this policy.

CHILD ABUSE AND NEGLECT REPORTING DESCRIPTIVE CODE: JGI-R(1)

The purpose of this policy is to provide for the protection of children whose health and welfare are adversely affected and further threatened by the conduct of those responsible for their care and protection. It is intended that the mandatory reporting of such cases will cause the protective services of the state to be brought to bear on the situation in an effort to prevent further abuses, to protect and enhance the welfare of these children, and to preserve family life wherever possible. This policy shall be liberally construed so as to carry out the purposes thereof.

As used in this policy, the term:

- (1) "Abused" means subjected to child abuse.
- (2) "Child" means any person under 18 years of age.
- (3) "Child Abuse" means:

(A) Physical injury or death inflicted upon a child by a parent or caretaker thereof by other than accidental means; provided, however, physical forms of discipline may be used as long as there is no physical injury to the child;

(B) Neglect or exploitation of a child by a parent or caretaker thereof;

(C) Sexual abuse or unwelcome touching of a child; or

(D) Sexual exploitation of a child.

(E) However, no child who in good faith is being treated solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination by a duly accredited practitioner thereof shall, for that reason alone, be considered to be an "abused" child.

Any school employee having reasonable cause to believe that a child has been abused shall report or cause reports of that abuse to be made to the principal or the principal's designee. A staff member who makes a report to the principal or designee shall be deemed to have fully complied with the policy. The principal/principal's designee shall make an oral report immediately, but in no case later than twenty-four hours from the time there is reasonable cause to believe a child has been abused and followed by a report in writing to the Department of Family and Children Services (DFACS) and the appropriate police authority or district attorney. Under no circumstances may the principal or designee to whom a notification of child abuse has been made "exercise any control, restraint, modification or make other change to the information provided by the reporter, although each of the aforementioned persons (mandated reporters) may be consulted prior to the making of a report and may provide additional, relevant, and necessary information when making the report". The official referral shall be documented on the appropriate reporting form (Exhibit). Any school employee who reports or causes a report to be made under this policy shall in so doing be immune from any civil or criminal liability that might otherwise be incurred or imposed, provided such reports are made in good faith. The principal shall be notified of all referrals on child abuse/neglect. The school superintendent and principal will receive a copy of the written referral.

In a reported case of child abuse, the student may be interviewed by a law enforcement officer or other appropriate governmental investigating official without notifying the parent; however, no investigation of child abuse shall be conducted at school without the knowledge of the principal/designee. This investigation may be conducted without the principal/designee being present.

Suspected child abuse which is required to be reported by Georgia law by any person pursuant to this policy shall be reported notwithstanding that the reasonable cause to believe such abuse has occurred or is occurring is based in whole or in part upon any communication to that person which is otherwise made privileged or confidential by law.

Any school system employee having reasonable cause to believe that a student has been abused by another school system employee shall report or cause reports of that abuse to be made to the appropriate agency in accordance with the procedure above. The principal or designee who receives such a report shall immediately notify the direct supervisor of the alleged perpetrator that the report has been made. The supervisor shall immediately notify local law enforcement and DFACS and begin a cooperative investigation with these agencies to determine the facts and whether sufficient grounds exist to warrant a reprimand, termination, suspension, or other adverse

personnel action against the employee. Upon the conclusion of the investigation, the supervisor shall submit a written report of his or her findings to the Superintendent.

All school personnel who have contact with students shall receive training in the identification and reporting of child abuse and neglect with annual updates in the form of memoranda, directives or other written information.

Any school employee required by policy to report a suspected case of child abuse who knowingly and willfully fails to do so shall be guilty of a misdemeanor.

STUDENT REPORTING OF ACTS OF SEXUAL ABUSE OR SEXUAL MISCONDUCT **DESCRIPTIVE CODE: JGI-R(2)**

(a) Any student (or parent or friend of a student) who has been the victim of an act of sexual abuse or sexual misconduct by a teacher, administrator or other school system employee is urged to make an oral report of the act to any teacher, counselor or administrator at his/her school.

(b) Any teacher, counselor or administrator receiving a report of sexual abuse or sexual misconduct of a student by a teacher, administrator or other employee shall make an oral report of the incident immediately by telephone or otherwise to the school principal or principal's designee, and shall submit a written report of the incident to the school principal or principal's designee within 24 hours. If the principal is the person accused of the sexual abuse or sexual misconduct, the oral and written reports should be made to the superintendent or the superintendent's designee.

(c) Any school principal or principal's designee receiving a report of sexual abuse as defined in O.C.G.A. 19-7-5 shall make an oral report immediately, but in no case later than 24 hours from the time the reasonable cause to believe a child has been abused. The report should be made by telephone and followed by a written report in writing, if requested, to a child welfare agency providing protective services, as designated by the Department of Human Resources, or, in the agency, to an appropriate policy authority or district attorney.

Reports of acts of sexual misconduct against a student by a teacher, administrator or other employee not covered by O.C.G.A. 19-7-5 or 20-2-1184 shall be investigated immediately by school or system personnel. If the investigation of the allegation of sexual misconduct indicates a reasonable cause to believe that the report of sexual misconduct is valid, the school principal or principal's designee shall make an immediate written report to the superintendent and the Professional Standards Commission Ethics Division.

STUDENT RECORDS

DESCRIPTIVE CODE: JR

Student records shall be defined as all information about students recorded or collected in any format by local school systems or individual schools that may include educational/psychological

assessments, school attendance records, personal data, health information, disciplinary actions, and/or academic progress.

Professional staff of the schools will review all records in their immediate keeping to assure that only responsible and documented information is maintained, removing as necessary extraneous or inappropriate information. The person in professional status responsible for maintaining records will be responsible for administering the use of the file in observance of due process and will guarantee that records contain factual, documented information on students. All information contained in any student records not meeting this requirement shall be removed.

Student cumulative records must contain, but are not limited to: identifying data, academic achievement, attendance data, standardized test scores, immunization records, required health screenings. Academic achievement records of individual students of Douglas County Schools shall be maintained for a period of at least 70 years (after the student leaves, transfers or graduates) and the attendance data for a period of at least three years. These shall be housed in a fire-resistant place.

No person or party, except the parents or legal guardians and students over eighteen (18) years of age, shall be permitted to examine or obtain information from the records of students except, (1) by the written consent of the student's parent or lawful guardian specifying records to be released, the reasons for such release, and to whom, and with a copy of the records to be released to the student's parents or lawful guardian and the student if desired by the parents, or (2) in compliance with judicial orders, or pursuant to any lawfully issued subpoena, upon the condition that parents or lawful guardians of the student are notified of all such orders or subpoenas in advance of the compliance therewith. (Divorce does not end a parent's right to review the child's records unless the courts specify that such review or contact is prohibited.)

The records of the school concerning an individual student shall be used for appropriate educational purposes and for the promotion of the student's welfare. Student records shall be made available to an outside person or agency only under the following conditions:

1. A "Release of Information" request is received by school officials duly signed by a parent of the student, or legal guardian, or by a student of legal age (18 years or older). File completed request in student cumulative record.
2. A "Request for Information" request is received by school officials in the form of specific request from the court or a court order. Only information requested shall be provided and the parents and/or students shall be notified of all such orders in advance of compliance with the order.
3. A "Request for Transcript" is received by school officials from a receiving school including schools operated by the Department of Juvenile Justice. Only information such as grades, attendance records, discipline records for students in grades 7-12, and group test scores should be included. Psychological reports and health reports cannot be released without having been specified in the signed "Release of Information" request as per #1 above. Schools must comply with appropriate requests for transcripts within 10 calendar days.
4. In instances where requests for information might come from an outside agency such as the VA, working for the welfare of a student, the agency will file a release from the student or parent or guardian. In lieu of such a release, a form signed by a judge (not necessarily in the form of a subpoena) would suffice, provided the parent, student, or guardian is notified that such a form has been received.

5. In instances where requests for information come from the Comptroller General of the United States, the Secretary of Health and Human Resources, Secretary of Education, an administrative head of an education agency or state educational authorities in connection with the audit and evaluation of federal programs or for the enforcement of federal legal requirements which relate to such programs, only that data which would not permit the personal identification of such students or their parents shall be released. This does not prevent federal officials, administrative head of an agency or state educational authorities to audit and evaluate provided confidentiality is maintained and information later destroyed. The only exception shall be when the collections of personally identifiable data is specifically authorized by federal law.

Schools and the school system shall not withhold any student record because of nonpayment of fees.

Schools or the school system receiving the transferred record shall notify the parent(s)/guardian(s) of students in grades seven through 12 that the record has been received.

Student records shall be available to parents, legal guardians, and students of legal age, upon their written request. This does not include records that have the names of several students. Individual parents, guardians, or students may also inspect these records upon request.

Family Educational and Privacy Rights

It is the policy of the Douglas County Board of Education that accurate and complete student academic and discipline records shall be maintained for each student enrolled in the schools of this school district. Confidentiality of student records shall be preserved in compliance with the Family Educational Rights and Privacy Act. Access to education records is provided to parents, guardians, and eligible students (eligible students are defined as those 18 years of age or older, those enrolled in postsecondary educational institutions, or those younger than 18 who are emancipated), to professional educators with legitimate educational interests, to those federal or state officials whose access is authorized in connection with an audit or evaluation of federal or state-supported education programs or with the enforcement of or compliance with federal legal requirements related to those programs, and to courts and others pursuant to subpoenas or similar documents.

The superintendent shall direct the publication of procedures through which parents or eligible students may request the correction of errors in student records. The superintendent shall ensure that each principal will develop a means to notify, on an annual basis, students and parents/guardians of their rights under the Family Education Rights and Privacy Act either by letter or through a student handbook distributed to each student in the school.

The Douglas County Board of Education designates certain information from student education records as "directory information," as is specified in this paragraph. Unless a parent/guardian or eligible student makes a timely request to the principal of the school where the student is enrolled that such information not be designated directory information as to that individual student, such information will not be considered confidential and may be disclosed upon written request.

Directory information is as follows:

1. Student's name.
2. Student's date of birth.
3. Student's participation in official school clubs and sports.

6. Awards received during the time enrolled in the Douglas County School System.
7. Photographs
8. Program of Study
9. School System Security Video/Audio Tapes except when tapes are used in a disciplinary or criminal matter.

In addition to the directory information listed above the federal No Child Left Behind Act provides that the school district shall provide, on a request made by military recruiters or an institution of higher education, access to secondary students addresses and telephone listings.

Student records will be forwarded without further notice to parents/guardians or eligible students to any school within or outside the Douglas County School System, upon request of the school where a student is enrolling.

Any person whose parental rights have not been revoked by court order and any guardian, or any individual acting as a parent/guardian in the absence of a parent/guardian, may inspect the education record of his/her child during the regular business hours, Monday through Friday, while school is in session.

Generally, a parent/guardian will be permitted to obtain a copy of education records of his/her child upon reasonable notice and payment of reasonable copying costs.

Education records are maintained at the school where the student is enrolled and are in the custody of the principal or his/her designee.

Personally identifiable information will not be released by the school system from an education record without prior written consent of the parent/guardian or eligible student except under the following circumstances:

1. Disclosures will be made to school administrators, teachers, or other professionals employed or associated by the school system who have some role in evaluating or educating the student.
2. Records will be sent to a school where the student has enrolled upon request of that school.
3. Disclosures will be made to federal or state officials in connection with the audit of educational programs.
4. Disclosures will be made in connection with financial aid applications of the student to determine the eligibility for and amount of aid as well as enforcement of the terms and conditions of financial aid.
5. Disclosures will be made to comply with state law, Internal Revenue Service laws and regulations, judicial orders or lawfully issued subpoenas. A reasonable effort will be made to notify parents/guardians or eligible students in advance of such disclosures.

6. Disclosures will be made to organizations conducting studies on behalf of or by educational institutions specified in 34 C.F.R. § 99.31(a) (6) and (7).
7. Disclosure may be made to accrediting institutions to carry out their accrediting function.
8. Disclosures will be made in connection with a health or safety
9. The emergency information the Board of Education has designated “directory information” may be disclosed upon written request unless a parent/guardian or eligible student objects in writing to the principal of the school where his/her child is enrolled within a reasonable time after receipt of the notice as contained in the student handbook. Directory information about former students will be disclosed upon request.
10. Each records custodian in the Douglas County School System shall maintain as part of each student’s file a log of those persons to whom access to the educational records has been provided.
11. A parent/guardian or eligible student who believes the student’s record contains an error may request its correction by submitting a written explanation of the error and the basis for believing it to be in error to the principal or his/her designee, who shall investigate and determine whether or not to amend the record. If the matter cannot be resolved, a parent/guardian or eligible student may request a hearing pursuant to federal regulations at 34 C.F.R. § 99.21-99.22 as well as applicable state regulations. If the hearing results in a determination that the record contained erroneous information, it shall be corrected and the parent/guardian or eligible student shall be informed in writing of the correction; if the information contained in the record is determined not to be erroneous, the parent/guardian or eligible student may place a statement in the record commenting upon the contested information and stating the basis for disagreement. The statement shall thereafter be disclosed whenever the portion to which it relates is disclosed.
